INTRODUCTION

This bibliography is compiled from the holdings of Saskatchewan libraries listed in the Saskatchewan Union Catalogue. It includes books on all aspects of rehabilitation of the handicapped. The bibliography is divided into nine parts, under broad headings (see table of contents). Within each part, the entries are arranged alphabetically by author. Author and title indexes are included.

Material listed in this bibliography can be obtained through any public, college, or special library in Saskatchewan. Just ask your nearest library.

When requesting titles from this bibliography it is important to give complete bibliographical information; quote fully the author's name, title, publisher and date of publication. If the book you want is not included in this bibliography, please fill out a request slip giving as detailed information as you can supply and we will endeavour to locate the title for you.
